configuration of animal and vegetal beings: the heart of that Universe-World. And we winemakers, men and women bounds, turn back toward the original and the ancient, believing breathing was silent and by just being silent and listening to and enigmatic, glittering like flashes of memory, guiding us the inside out, from top to bottom, from the future to the great wine, is the poetic alchemical metamorphosis of nature light hand and gentle heart are we able at times to bend nize it and make it more beautiful, like a reality imagined in a

*Translation by Burton Anderson*

Warning: This Wine contains multitudes. Fusion of Multiplicity. Blending of Opposites. Warms your Heart.
